SJCET Collaborates with IIT Madras – Igniting Innovation through CODE! (CODE = Centre for Outreach and Digital Education)

St. Joseph's College of Engineering and Technology (SJCET), Thanjavur, has proudly signed an MoU with the **Centre for Outreach and Digital Education (CODE)**, IIT Madras, marking a significant milestone in our journey towards academic excellence and digital empowerment.

This strategic partnership facilitates:

- Access to **SWAYAM Plus Employability Enhancement Programs**
- Free **AI-based Skill Training** for First-Year Students in:
 - Artificial Intelligence in Chemistry
 - Artificial Intelligence in Physics
 - Artificial Intelligence in Python
- Resource-sharing, faculty empowerment, and institutional development in line with **NEP 2020**

By partnering with one of India's premier institutions, **IIT Madras**, SJCET strengthens its commitment to bridging the gap between academic knowledge and industry-demanded skills, ensuring students are **future-ready** from the very start of their engineering journey.
