

# **SJCET Signs Prestigious MoU with IIT Madras – Launches SWAYAM Plus Program- SJCET Partners with IIT Madras – Igniting the AI Revolution!**

**St. Joseph’s College of Engineering and Technology (SJCET), Thanjavur**, has proudly entered into a Memorandum of Understanding (MoU) with **Indian Institute of Technology Madras (IITM)** under the **SWAYAM Plus – Employability Enhancement Program**. Through this collaboration, SJCET has become an active partner in empowering students with cutting-edge skills aligned with NEP 2020 objectives.

Under this initiative, we have launched a **two-month free skill training program** for our **first-year students** in the following domains:

- **Artificial Intelligence in Chemistry**
- **Artificial Intelligence in Physics**
- **Artificial Intelligence in Python**

This strategic partnership enhances student engagement in AI-based interdisciplinary learning and builds pathways for improved industry readiness.
